WELCOME TO INSTITUTION'S INNOVATION COUNCIL

The Institutions Innovation Council is an initiative under the Ministry of Education (MoE), Govt. of India, to systematically foster the culture of Innovation amongst Educational Institutions. The council's primary aim is to encourage, inspire and nurture young students by supporting them to work with new innovative ideas and transform them into workable and successful ER. IIC in Arignar Anna College (Arts & Science) was established on September 2022. The team is led by the President of IIC- Dr. R.Rajalakshmi, Assistant Professor & Head, Department of Computer Science. Dr. M. Jegan, Assistant Professor & Head, Department of Commerce (Computer Applications) is the convenor. The council comprises of 12 faculty members from various departments positioned as coordinators for various thrust areas such as Innovation, Internship, IPR, Start-up, social media, ARIIA and NIRF. The student council of IIC is formed. Each thrust areas mentioned above has 7 students working on it along with the staff coordinators and members.

Established entrepreneurs and professionals are also a part of IIC as external members of the team.

Report:

Creative Training Program for Biotechnology, Botany and Zoology Students

A one-day creative training program was held for Biotechnology students at Arignar Anna College (Arts &Science), Krishnagiri on 18-07-2024. The program was organized by the Biotechnology Department. Dr. N. Kiruthiga, Head of the Biotechnology Department, welcomed everyone. College Principal Dr. S. Dhanapal presided over the event and emphasized the importance of students excelling in various fields while studying. He also encouraged students to secure jobs in various fields after completing their studies.

The special guest, Dr. U. Manohar Jebakumar, Director of Salem Dakma Life Science Coaching Institute, delivered a special lecture on "Life Science and its Importance". He emphasized that students from three departments participated in the program, but each student should excel in their respective field. He explained various techniques such as plant tissue culture, animal tissue culture, and methods for Government competitive exams. He also encouraged students to pursue postgraduate studies after completing their undergraduate degree, which would help them gain research knowledge. He explained the ways to receive funding for research studies and motivated students to pursue research careers.

The program concluded with a vote of thanks by Dr. G. Velusamy, Head of Zoology Department.

Security awareness program for Female Students on behalf of the Internal Complaints Committee (ICC) the Arignar Anna College (Arts & Science) , Krishnagiri

A security awareness program for Female Students on behalf of the Internal Complaints Committee (ICC) at Arignar Anna College (Arts & Science) was held on Friday (14-02-2025). The welcome address was given by the Head of the Chemistry Department of the College, Mr. R. Sivakumar. The Principal of the college, Dr. S. Dhanapal, presided over the event. In his keynote address, he said that due to the growing information technology, Female Students are facing various types of vulnerabilities, especially cyber crimes and when they need security-related assistance, they should not hesitate to report it to the nearest police station or through Kavalan Opp and get the necessary assistance.

Mr. Boopathi, Assistant Inspector of Police, Kurumbarapalli and Mr. Saravanan, Assistant Inspector of Police, Central Criminal Investigation Department, Kurumbarapalli, participated as special guests at this awareness program and delivered special speeches. In his special address, Female Students should face any situation with great courage. The Tamil Nadu Police has designed the Kavalan Opp to help women. He also explained to the students about the harm caused by drugs. Another special guest, Mr. Saravanan, in his keynote address, said that students should travel with dreams and aspirations, especially students should be bookworms and that students should come as strong personalities in the future to face any situation in the society. The event was attended by Head Constable Mr. Venkatachalam and Mrs. Renuka. Mrs. Renuka has been appointed as the police sister of the college. If there is any security deficiency or any police-related assistance, the students can call immediately. Dr. R. Rajalakshmi, Head of the Department of Computer Science, acted as the coordinator of the event. Finally, Dr. N. Kiruthika, Head of the Department of Biotechnology, delivered the vote of thanks.

A one-day cancer prevention awareness program was jointly organized by the National Service Scheme (NSS) of Arignar Anna College (Arts and Science), Krishnagiri and the Adyar Cancer Hospital, Chennai on Thursday (13.02.2025). Dr. M. Jegan, Head of the Department of Business Computer Applications and National National Service Scheme (NSS) Coordinator of the college, delivered the welcome address. Dr. S. Dhanapal, Principal of the college, presided over the function. In his keynote address, he said that in preventing cancer, one should not smoke, maintain a healthy body, do not consume excessive alcohol, eat more vegetables, fruits, whole grains, etc., do not consume excessively processed foods, and get vaccinated to prevent some infectious diseases. He said that it would be easier to recover from the disease by detecting it at an early stage through tests to prevent cervical cancer and colorectal cancer. The event was graced by the special guests, Mr. Antony Soosai Raj, Assistant Manager of Adyar Cancer Hospital, Chennai, and Mr. Rangesh, who participated in the awareness program. Mr. Munusamy and Mr. Ashok, both from Adyar Cancer Hospital, Chennai, guided the cancer awareness program as supervisors. Dr. S. Ramachandran, Head of the Department of Physics, guided the students to view the awareness about cancer.

The National Service Scheme (NSS) Coordinator’s, Mr. K. Ramamoorthy Assistant Professor of the Department of Chemistry and Mr. R. Saravanakumar, Assistant Professor of the Department of English had organized it very well. In conclusion, Mr. R. Ramamoorthy, Assistant Professor of the Department of Botany and National Service Scheme (NSS) Co ordinator of the college, proposed the vote of thanks.

International Conference on Frontiers in Biological Sciences – 2025 (ICFBS – 2025) behalf of the Departments of Biotechnology, Botany and Zoology of Arignar Anna College (Arts and Science), Krishnagiri.

An International Conference on Frontiers in Biological Sciences – 2025 (ICFBS – 2025) behalf of the Departments of Biotechnology, Botany and Zoology was held at Arignar Anna College (Arts and Science), Krishnagiri on Friday (07 .02 2025). The Head of the Department of Biotechnology of the college, Dr. N. Kiruthiga, delivered the welcome address. The Principal of the college, Dr. S. Dhanapal, presided over the event. In his keynote address, he said that Biotechnology is often associated with Genetic Engineering in the 21st Century. He said that the practice of modifying living organisms for human needs has a long history and released the International Code of Conduct.

As a special guest Dr. Lakshmanan Archana Devi, a senior scientist from Virudhunagar, participated and delivered a special lecture on the topic of Agronomical Applications in Sustainable Agriculture Environment.Artificial selection and hybridization technologies have been used to improve the quality of indigenous crops. Modern approaches are being used to improve the quality of products and increase production.

As a special guest Dr. Muthuswamy Balasubramanian, Post Doctoral Senior Research Scientist, Bar-Illan University,delivered a special lecture on the greatness of radish (Bioengineering of Radish cultures and At MYBI2 Over - Expression). In his special lecture, It was mostly used only in the food processing and agricultural sectors. After 1970, biotechnology was widely used by the Western scientific community. He said that biotechnology includes techniques such as gene editing, tissue culture and horizontal gene transfer.

Assistant Professors Mr. M. Manikandan, S. Suganya, G. Punitavathi, . A.Sabina Begum, . K. Priya, R. Dhanalakshmi, C. Deepa Joan Arc and R.Manimegala, participated in the international seminar. Assistant Professor of the Department of Biotechnology Dr. K. Saravanan acted as the coordinator of the seminar.

Students from various colleges participated and presented their research papers. In this, the Principal of the college Dr. S. Dhanapal gave away prizes and certificates to the students who submitted the best research papers. Dr. P. Vijayakanth, Head of the Department of Botany, Mr. R. Ramamoorthy, Assistant Professor of the Department of Zoology, Dr. A. Deva participated and felicitated the seminar. At the conclusion of the seminar, Head of the Department of Zoology Velsamy expressed his gratitude and said vote of thank, The seminar concluded with a beautiful National Anthem celebration.

A One day workshop on Nanomaterials Synthesis and Characterization Techniques at the PG Department Physics of Arignar Anna College (Arts & Science), Krishnagiri

A One day workshop on Nanomaterials Synthesis and Characterization Techniques at the PG Department Physics of Arignar Anna College (Arts & Science), Krishnagiri on Tuesday (18. 02.2025). The welcome address was delivered by Dr. S. Ramachandran, Head of the Physics Department of the college. The Principal of the college, Dr. S. Dhanapal, presided over the function. In his keynote address, he said that Nanomaterials can be divided into three major categories based on the number of dimensions within the nanoscale (1-100 nanometers) as one dimensional nanomaterials, two dimensional nanomaterials and three dimensional nanomaterials. The Academic Councillor and Head of the Commerce Computer Application of the College , Dr. M. Jegan, participated in the technical workshop.

The Coordinator of the Internal Assessment Committee (IQAC) , Dr. R. Rajalakshmi, the IQAC Co-Coordinator, Mr. S. Prakash, delivered the felicitation address. The Head of the Department of Biotechnology, Dr. N. Kiruthika, Head of the Department of Chemistry R. Sivakumar, Head of the Department of Mathematics P. Senthil, and Head of the Department of Computer Applications G. Sakthivel participated in the training camp. Dr. K. Kannaki, Head of the Department of Physics of Government Women's College, Bargur, attended the training camp as a special guest and delivered a special speech. In her special speech, she explained that nanotechnology is the method of manipulating materials at the atomic and molecular levels with precision to make large scale objects or devices using nanomaterials and characterization techniques. Professors of the Department of Physics P. Ilaiyaperumal acted as the coordinator of the training workshop. Assistant Profe
