## PROVISION TO WATCH MOOCs

SWAYAM (Study Webs of Active–Learning for Young Aspiring Minds) is a Programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. It is aimed at offering free and high-quality e-learning education to students ranging from Class 9th to post-graduation. The platform employs cutting-edge pedagogy and upgraded audio-visual and multimedia tools to deliver courses. It covers a wide range of subjects in higher education and provides skill development courses for the skill sector. As of December 2022, there are over 2000 courses available on the platform, all taught by experienced instructors. These courses are carefully curated, produced, and delivered by nine National Coordinators. It includes AICTE, NPTEL, UGC, NCERT, NIOS, IGNOU, IIM-B, CEC, and NITTTR. Accessing SWAYAM MOOC courses for learning is completely free of charge, without any fees. Moreover, upon completing the course and passing the exam at designated centers, participants can obtain a SWAYAM certificate. A nominal exam fee is required to enroll in the exam.

The **objective of the SWAYAM** initiative is to make top-quality educational resources accessible to everyone, especially those who have been underserved. This includes:
